

EMAI 2019

Emerging Memory and Artificial Intelligence Workshop

Bechtel Conference Center at Encina Hall
616 Serra Street, Stanford, CA 94305
August 29, 2019

Directions to Event Parking

Event Parking will be available at the Galvez Lot (L-96). The map highlights two entrances along Galvez Street and a third access point along Lasuen Street (near Campus Drive).

Pay By Space machines accept credit card and cash. Please enter **event code 1185** to apply discounted parking rate, \$8 for all day.

From US 101:

Take the Embarcadero Road exit West toward Stanford. Continue on Embarcadero for 2.2 miles. You will pass Middlefield Road and El Camino Real. As Embarcadero crosses El Camino Real and enters the Stanford campus, the street becomes Galvez. Continue on Galvez for 0.8 miles, staying in the left lane. Galvez Lot entrance will be on your right, between Nelson Road and Campus Drive.

From Interstate 280:

Take the Page Mill Road exit and go East, continuing to the right as you leave the exit ramp. Continue on Page Mill Road for 2.7 miles. You will pass Deer Creek Road, Foothill Expressway and Ramos Street. Turn left on El Camino Real; continue for 0.7 miles. Turn left on Campus Drive East, then right turn onto Galvez. Galvez Lot entrance will be on your left, between Nelson Road and Campus Drive.

Directions to Encina Hall

Walk to Meeting Site:

From the Galvez Lot, walk across Campus Drive and onto Galvez St., follow for approximately two blocks. Turn left on Serra Street, Encina Hall will be on your right.
